

# Demons of Shanghai

*My piece of first work was a serious one, so I wanted to draw a light-hearted comedy that took around Sase as 'Higared', I got my inspiration from the police's work at the site of ruined building. Okay, let's draw a story about summer-haunting! I like stories that have a hint of horror but I also love stories with some silliness. If the readers don't like 'Shanghai', then the future of Arakawa Hiromu as a manga artist would be clouded by shadows of doubt. That was the mood that I was in when I drew this. So that I won't have any regrets, I've checked in everything that I like (sexuality, China, summer, bearded old gentlemen, music, worthless stuff, food, and useless military). The outcome was unexpectedly good.*

Minister of Shanghai Police

I don't really want to say "Shanghai Police", they're more like "Shanghai Summer". They're in place instead police. I love this character. If I said that this character is based on Mr. Katsuhiko, will he be angry?

Tanaka A.

*Shinji*  
A character that watches from the sidelines, born purely out of a biological reason.

Mr. Dandy

Arakawa's relative

Miss Director

Hobbies: Gardening  
I wanted to have her drawn like a Japanese woman like Mahiro Hondo is Japanese school in Shu... No in Japanese drama! Gosh... Sister Look in 'Higared' was drawn in her director character when she is more like master though.

Employee Misa

Doesn't have anything on her mind. She is always either eating or smiling. Really easy to draw. Hope you like it.

Employee Misa

When I designed this character, I thought that I would have her a bit of devil hair, but decided against it in the end. It resembles Luv-luv from 'Higared'. In this case of the magazine, let's be love with Miss Directors Gosh.

Hiromu

I like the chaotic atmosphere that is present in Shanghai. That street would probably be completely the same fifty years from now. The air would probably still be filled with a random smell of sweat that is the result of the co-existence of new and old technology.

Both humans and non-humans  
are attracted here.  
What lies in this city...!?

I'M VERY

### Holy Emperor Guan

An active general during the late Han dynasty and the Three Kingdoms period. Surname: Guan. Forename: Yu. Middle name: Yun-Chang. He is courageous and he always sides with the defenseless civilians. After dying in battle, he was worshipped as a god by the people.

The most important things to both generals and businessmen are honesty and trustworthiness. So he became the icon for business and that warranted even more worshippers.

All the "Emperor Guan Temples" in the china towns around the world are the places for worshipping him.

OVER THE AGES, I'VE UNWITTINGLY BECOME THE HOLY EMPEROR GUAN.

AT FIRST, I WAS JUST A NORMAL HUMAN GUY. IT'S JUST THAT PEOPLE STARTED WORSHIPPING ME AS A GOD.

HEY, HEY, LISTEN TO WHAT I HAVE TO SAY FIRST.

WHY IS THIS KIND OF GOD BITTING MEERREIT?

CORRECT.

AND IT'S BECAUSE OF THIS STRONG WILLPOWER THAT YOU GOT A SPECIFIC FORM.

HAPPY, THE WILL-POWER OF HUMAN IS REALLY SOME-THING.

ALL THE BLOOD INSIDE  
BEHIND ME IS  
RUSHING  
FEVERENTLY...

HOPING  
FOR A  
BATTLE.

I...  
WANT  
TO  
DUEL.

BUT IT IS  
SAID THAT  
DURING HIS  
LIFETIME,  
GUAN

WAS  
INVINCIBLE

BATTLEFIELD.

WOMEN BRING OUT OUR FROM THE BELIEF OF OURS

PROBES THAT?

ON TOP OF HAVING NO WORK, SEEING YOUR DEPRESSED FACE MAKES IT EXTRA UNPLEASANT, TYPE!

IT'S JUST PLAIN MADNESS

RECENTLY ALL OF SHANGHAI'S TOURIST HOTSPOTS AREN'T GETTING MUCH BUSINESS AND IT HAS BECOME QUITE PROBLEMATIC

THIS YEAR IS REALLY TIGHT

WOULD YOU SAY SUCH HEARTLESS WORDS, MRS. WU?

SH-AN, CAN YOU THINK OF A WAY TO GET SUPPORT FOR THE REPAIR COST?

HOW WOULD I KNOW?

DO YOU KNOW OF ANY WAY THAT CAN MAKE THE TOURISTS GATHER IN SHANGHAI?

SAY, THIS BUILDING IS REALLY OLD

WE'RE STILL IN DEBT AND THE REPAIR OF THE OFFICE ISN'T GOING WELL. WE DON'T HAVE THE TIME TO WORRY ABOUT OTHER PEOPLE'S PROBLEMS!

...SORRY, FORGET THAT I SAID ANYTHING.
